Article 5

“Should you forget, seek and you will find someone who will show you The Way.”

Discourse

When you seek, you will find someone who will show you The Way to discover [The Teacher](#) and The Teachings.

The act of seeking is an aware act.

A person who seeks is a person who wants to discover himself or herself through The Way of Life.

Every Atma in Janam has a Life Task.

Before being placed in a physical body every Soul is given three opportunities to make appropriate requests for that Janam.

Whatever request or part thereof is found valid shall be granted to that Atma as a Grant by [PARAMATMA](#).

Each individual has been allotted a TRA (Time and Reality Adjuster).

Each TRA has the responsibility to mature the Grants given to that Atma at the appropriate time.

Usually one of the grants will be to serve The Teachings.

When The Teacher is Incarnate in a physical body another grant may be to serve The Teacher.

The TRA will create the internal conditions for an individual in Janam to discover The Way of Life given in The Teachings.

The TRA will create conditions for the individual to connect with someone who will bring the individual in communication with The Teacher when Incarnate.

During Janam, every individual commits sins (acts causing harm).

Each sin creates a layer that covers the Atma.

When I commit a large number of sins, I generate enough layers to convert them into a thick hard impenetrable opaque [crust](#) that blocks all communication between the Atma and my given body+mind.

Once the crust is formed around the Atma it is unable to convey The Life Task to the body+mind specifically given to the Soul.

Seeking is searching for the Name of GOD so that the individual can discover the Life Task of his or her Atma for that Janam.

The seeker must find and identify the individual who will help in discovering the Name [OMN MNKAAAR](#).

When the individual seeks, someone will come along and indicate how and where further knowledge or progress may be made.

A person who seeks wants to know and learn to live in The Way of Life.

Do not look at the person; look at The Way of Life.

Do not look at the messenger; look at the message.

A realized person does not mean that he or she will not commit sins.

The average person may be a good person and yet may have committed a large number of sins.

This also includes people who have studied religious texts and have become good people because of their readings.

Not all good people are realized.

Not all realized persons are good.

Seek and you will find someone to show you The Way of Life through HIS Name OMN MNKAAAR.

This also warns you that there will be many imposters and frauds who will try to lead you astray.

An imposter will reveal himself or herself.

You can recognize an imposter or fraud if and when they instruct you not to reveal what they tell you.

Imposter tries to keep the knowledge of the Name of GOD secret.

This should warn you, the Seeker, to discard the company of such people because

the Name of GOD is in the public domain.

Duties Connected to the Name of GOD

There are two conditions attached to the Name of PARAMATMA:

The first condition states:

‘Whosoever becomes aware of the Name OMNMNKAAR shall inform every person he or she meets without fee or favour. Inform using the words:
“When you [need](#) me you remember me by my name OMNMNKAAR”.

The second condition is activated when the person whom you have informed the Name of GOD asks you to tell him or her about what to do with the Name of GOD that you have just revealed as OMNMNKAAR.

In that case, you must start repeating

OMNMNKAAR OMNMNKAAR OMNMNKAAR OMNMNKAAR OMNMNKAAR
OMNMNKAAR

OMNMNKAAR OMNMNKAAR OMNMNKAAR OMNMNKAAR OMNMNKAAR
OMNMNKAAR

OMNMNKAAR OMNMNKAAR OMNMNKAAR OMNMNKAAR OMNMNKAAR
OMNMNKAAR

OMNMNKAAR OMNMNKAAR OMNMNKAAR OMNMNKAAR OMNMNKAAR
OMNMNKAAR

Slowly, carefully and phonetically for several minutes so that the individual or group may join you in reciting

OMNMNKAAR OMNMNKAAR OMNMNKAAR OMNMNKAAR OMNMNKAAR
OMNMNKAAR

Continue until such time as the person or group is comfortable reciting

OMNMNKAAR OMNMNKAAR OMNMNKAAR OMNMNKAAR OMNMNKAAR
OMNMNKAAR

The Teacher in Incarnation follows the method given by PARAMATMA, which is to make each individual think for himself or herself.

SEEK for knowledge, and move away from [belief](#).

The more I seek, the more I will discover.

The more I discover, the more I will learn.

The more I learn, the more light will shine onto the beliefs hidden inside me.

The more I discover my hidden beliefs, the more of them I can unlearn to become clean and healthy again.

Seeking leads to knowledge.

With knowledge, I can and I will enable myself.

Seeking is observance of Rule 3: I am Self-Enabled.

Seeking is most important.
