During the interaction with the Atma, GOD gives all The LAWS, Rules and Principles of Life to the Atma.

No Atma, in Janam, can claim ignorance.

Not remembering The LAWS, Rules and The Principles of Life is not a defense.

Therefore, this would not hold up as an excuse at The Court of The Chief Judge.

The Atma is given the means and capability to take control of the body and carry

out its Life Task so that it can move forward on its quest to get out of the cycle of birth and rebirth.

The Atma is given time and an opportunity to achieve control over the body+mind given to it while in the womb of the mother.

The Atma cannot escape the consequences of not retaining control over the body+mind given to it.
