

The DIVINE LAWS

The LAW of Happiness

$$“H=(R-E)”$$

Discourse

Introduction

The LAW of Happiness is stated as a simple linear equation so that an ordinary person may also understand it and apply it in his or her daily life.

The equation $H = (R-E)$

Where H represents your state of Happiness

And

R represents your current Reality

E represents your [Expectations](#)

The LAW of Happiness has been discussed to understand its different aspects in the form of several Partial Teachings as listed below:
