

The DIVINE LAWS

The LAW of Happiness

$$“H=(R-E)”$$

A Partial Teaching on The Question - ‘Can I Make Anyone Unhappy?’

Discourse

Qn. What is the population of ‘anyone’?

Ans. It is a global population which includes ‘someone’ + ‘I’.

Qn. Can I make ‘anyone’ unhappy?

Ans. Since I have lived with myself from birth, I am the only one who can know myself. Therefore, only I can make myself ‘unhappy’.

Refer to A Partial Teaching on the [Working Definition of Happiness](#) and [The Continuum of Life](#).

GOD states [The LAW of Happiness](#):

$$“H = R - E”$$

where H = your Happiness

R = your Reality

and E = your [Expectations](#).
